

3E Company's MSDS On Demand Compliance Program

3E – MSDS Management

3E Company updates and maintains the largest HazMat database in North America. 3E uses this information to provide MSDS management, regulatory compliance, and other hazardous material related services to over 60,000 business locations. Mitchell Container Services, Inc. (MCS) is a subscriber to the 3E Company Hazardous Materials Management Program.

3E provides 24-hour access to more than 1.25 million MSDS, including all MSDS in Mitchell Container Services, Inc's inventory. Employees can call 3E's toll-free 800 number anytime to request MSDS, which will then be forwarded by fax or mail. 3E provides all of the information that MCS and our employees need to implement and utilize the 3E MSDS program.

MCS is eligible to access the 3E 24-hour program in the following areas:

- 24-Hour MSDS Hotline
- 24-Hour Spill Hotline
- Poison Control Response
